SEA , scheduled to start trial in King County Superior Court before Hon. Catherine Shaffer on October 1, 2018, and expected to run for 3 months. While there are many plaintiffs and co-counsel, Plaintiff's counsel in this matter represents two of the plaintiffs in the Dinh Group that are scheduled to start trial on October 1, 2018 and is working to minimize the conflicting scheduling requirements and to accommodate the discovery needs in the instant matter as well. A brief extension of 45 days will allow completion of discovery in the instant matter as well. Defense counsel has agreed to this brief continuation of the discovery deadline.
